

ADDENDUM #1

On January 3, 2019, the New Hampshire Department of Health and Human Services published a Request for Proposals, soliciting proposals from vendors for six (6) enhanced residential treatment beds for females between fourteen (14) and twenty-one (21) years of age who may have struggled to complete treatment goals in multiple programs both in home as well as within a residential treatment setting.

Pursuant to Section 6.14 Non-Commitment of RFP-2019-DCYF-02-ENHAN, the Department hereby cancels this RFP. Should the Department issue an RFP for the same services as described in RFP-2019-DCYF-02-ENHAN Enhanced Placement Capacity Program, potential bidders shall be notified via the same process as the previous RFP.
